

MEALS AT RIDER UNIVERSITY DINING HALL

If you wish to have meals on campus during the festival, please fill out the form below, put the total on the registration payment form and include this completed form with your registration form and liability wavier. If you prefer to bring your own box lunches or dinner, the campus dining hall will be open for that. Also, your packet at registration will contain a list of nearby restaurants. But bear in mind that there is only an hour allowed for Saturday or Sunday lunch and for Saturday evening dinner, so it is essential that you insure on time class participation in the afternoon, or attendance at the Saturday evening concert.
